SIGNATURE TALKS

Bridging the Doodle Divide™

Improving communication between trainers and Doodle guardians, so the fastest-growing client population stops being the most frustrating one.

Delivered for the Pet Professional Guild and The Academy for Dog Trainers.

Doodles, Dematting, and Difficult Conversations

How Doodle parent education protects groomer health, retention, and the client relationship, without a single shaming conversation.

Delivered at the IGS Global Groomer Health Conference.

My Niche Is Too Small

Building authority and audience in a narrow, underserved category, and why specializing broadens your reach instead of shrinking it.

Delivered at PodFest Multimedia Expo.

Audiences: grooming conferences and CE days, veterinary teams, dog training organizations, breeder associations, and pet industry events. Virtual or in person, customized to your room.

Continuing education: sessions have been approved for continuing education credits: PPAB 1, PMCT 1, CCPDT 1, KPA 1, IAABC 1.
